Notes

Most instances of common prefixes and suffixes such as "The", "In", "Bar" and "Hotel" have been omitted for clarity.

Directions and distances between pubs and bars or geographic areas should not be directly inferred due to localised scale distortion.

All routes follow a recognised geographic road or path etc, but this should not be used as a basis for transport routes and they may not adhere to locally recognised pub crawls.

Alignment to one side or other of a route does not necessarily correspond with the side of the road an establishment is on.

Many hotels, cafes and restaurants have been included on the map where there appears to be a welcoming, comfortable and easily accessible space for having a casual drink without food or other services.

Whilst generous evaluation criteria have been applied, assessment and inclusion of all establishments is discretionary and subjective.

With some limited exceptions, the following types of licensed premises are generally not included on this map:

- Bars with most leisure or cultural facilities such as cinemas, casinos, theatres, sports venues, art galleries and museums etc.
- Private members clubs such as Social Clubs, Working Men's Clubs, Sports Clubs and politically affiliated clubs.
- Gentlemen's clubs and XXX related establishments.
- Paid/ticketed entry entertainment venues.
- Student Union bars.
- Bottle Shops.
- Karaoke bars.
