Notes

- Most instances of common prefixes and suffixes such as "The", "Inn", "Bar" and "Hotel" have been omitted for clarity.
- Whilst generous evaluation criteria have been applied, assessment and inclusion of all establishments is discretionary and subjective.
- Directions and distances between pubs and bars or geographic areas should not be directly inferred due to localised scale distortion.
- With some limited exceptions, the following types of licensed premises are generally not included on this map:
- Bars within most leisure or cultural facilities such as cinemas, theatres, sports venues, art galleries and museums etc.
 - Private members clubs such as Social Clubs, Working Men's Clubs, Sports Clubs and politically affiliated clubs.
 - Gentlemen's clubs and XXX related establishments.
 - Ticketed entry entertainment venues.
 - Student Union bars.
 - Bottle Shops.
 - Karaoke bars.
- All routes follow a recognised geographic road or path but this should not be used as a basis for vehicle routes and they may not adhere to locally recognised pub crawls.
- Alignment to one side or other of a route does not necessarily correspond with the side of the road an establishment is on.
- Many hotels, cafés and restaurants have been included on the map where there appears to be a welcoming, comfortable and easily accessible space for having a casual drink without food or other services.
- Places without a permanent structure have a "Temporary / Seasonal" symbol but no name.
