Notes

Official names may differ from those shown, as most instances of common prefixes and suffixes such as "The", "Inn", "Bar", "Club" and "Hotel" have been omitted for space and clarity.

Directions and distances between pubs and bars or geographic areas should not be directly inferred due to localised scale distortion.

All routes follow recognised geographic roads and/or pedestrian paths.

Alignment to one side or the other of a route does not necessarily correspond with the side of the road an establishment is on, for space and/or balance purposes.

Many hotels, cafes and restaurants have been included on the map where there appears to be a welcoming, comfortable and easily accessible space for having a casual drink without food or other services.

Whilst generous evaluation criteria have been applied, assessment and inclusion of all establishments is discretionary and subjective.

With some limited exceptions, the following types of Licensed premises are generally not included on this map:

- Bars within most leisure or cultural facilities such as cinemas, theatres, sports venues, art galleries, museums and exhibition centres.
- Venues that are primarily activity-based rather than drinking-focused (e.g. karaoke, snooker, pool, ice skating, bowling).
- Private members-only clubs.
- Sports and social clubs or those with a primarily political or religious affiliation.
- Gentlemen's clubs and XXX-related venues.
- Ticketed entry entertainment venues.
- Student Union bars.
